MEET OUR SPEAKER

Ross Harris

Dear Friends,

As you listen to the news or read the paper, I'm sure you'll agree that world conditions are getting worse, not better. Earthquakes, floods, fires, tornadoes, violence, and more are plaguing, not just the world, but even America today. This is causing many to ask questions like: How much longer can this world last? Are we living in the last days of Earth's history? How can I be happy in the midst of all this chaos?

I would like to invite you to come be a part of our nightly Bible Study as we search for answers to these and other questions facing Christians and nonChristians alike. Only Jesus is the answer. That's why we will be exploring the prophecies of Daniel and Revelation to see what God's message is to His people in these last days. Please plan to join us.

Your friend in Christ,

Ross Harris
