## MEET YOUR PRESENTER

### Gary Venden

Since 1979 Gary Venden has combined his gifts of teaching and preaching with his passion for sharing the truth about God and unraveling the mysteries surrounding Bible prophecy.

Using the Bible alone, in the context of history and culture, Venden--a student of the original Hebrew and Greek used

by Bible authors--brings understanding and insights to Daniel and Revelation.

These two interconnected books are filled with images, descriptions, and predictions about end-time events that have for centuries both fascinated and confused most readers--Bible scholars as well as everyday seekers of truth.

You're invited to "come as you are" to this free seminar. You'll be amazed at how these Bible prophecies unlock positive, hope-filled answers to life's hard questions.

An ordained minister who has conducted dozens of prophecy seminars around the country, Venden currently pastors the Glendale Adventist Church in Phoenix, Arizona.
