DON'T LET ANYONE OR ANYTHING KEEP YOU FROM ATTENDING THIS POWERFUL LIFE CHANGING SEMINAR!

Randy Nims

I spent most of my childhood dreaming of being an astronaut and visiting countless worlds. I began learning to fly airplanes at 15 and after high school enrolled in an aviation program, then majored in aerospace engineering. Always a student of God's word I kept wondering why do wars, terrorism, and other tragedies keep happening? What will be the next earth shaking event? When will there finally be peace? So I began creating illustrated presentations to present powerful answers for an uneasy world. You will be amazed how night after night, messages straight from the Bible will open before you a bright and hopeful future. Really, when I think about it I am still going to visit countless worlds. The only difference is now I am proclaiming the gospel message so that countless numbers can join me!
