Meet Our Speaker

ROB KNOTT: As a young boy, Rob learned about Jesus but never really read the Bible. In his early twenties he began reading the Bible and discovered that the symbols in Daniel and Revelation can be understood. Rob was deeply impressed by the accuracy of the prophecies and wanted to share these truths with others. His greatest desire is to make a difference for the Kingdom of God by sharing the good news of Jesus Christ. With his enthusiasm and friendly personality, he never tires of telling others about God's great love for them. Rob's simple and direct approach will help Christians and non-Christians alike understand world events from a scriptural perspective. By attending this seminar, you will learn more about the Bible in a few nights than most have learned in an entire lifetime! Come and let the truths of the Bible give you hope to face the future unafraid.
