MEET OUR SPEAKER: Eric Freking, DMin

Eric Freking has taught the great themes of Bible prophecy for the past eighteen years to audiences throughout North America. Eric is well known for his dynamic teaching style and ability to make complex Bible topics clear and understandable. Raised in a nominal Christian home, Eric had a life changing experience while in college studying to be a teacher. Realizing that God was calling him to full-time ministry, he went on to get a master's degree in theology and has a doctoral degree in ministry. Eric's presentations will remove the mystery that often surrounds the apocalyptic books of Daniel and Revelation. You will learn about crucial end-time issues like the Antichrist and the Mark of the Beast. Most importantly, Eric promises to uplift Jesus Christ—the very center of Bible prophecy.

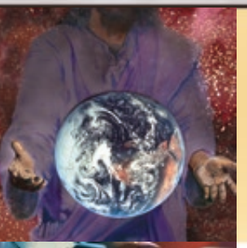
Begins Thursday, June 12, 2025

The Bible Will Be Our Guidebook!

Why Study Revelation?

"Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near." Revelation 1:3.



SESSION 1: The Last Signs Before Armageddon

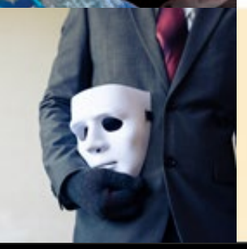
Thursday, June 12 • 6:30– 7:30 p.m.

We live in a world increasingly characterized by fear. It seems as though terrorism, disease, natural disasters, economic uncertainty, political contention, and religious confusion have become part of everyday life. Does the turmoil existing in our present world reveal anything regarding the future of the human race? Are we witnessing the fulfillment of Jesus' predictions regarding events that would precede His return? Did the Bible predict our day and is there hope in these troubled times?

SESSION 2: Who will be the Next World Ruler?

Friday, June 13 • 6:30– 7:30 p.m.

In the midst of geo-political turmoil and strained international relations, many are wondering who will emerge as the next superpower or world ruler. Will the United States yield its power to the United Nations? Will China dominate the world, or perhaps Islam? Could an ancient prophecy in the Bible give us the answers to these questions? Learn an amazing prophecy that actually charts the course of world history and reveals where we are on God's prophetic timeline.



SESSION 3: The Dreaded Antichrist, Part 1

Saturday, June 14 • 6:30– 7:30 p.m.

In the third session we will look at the solemn subject of the antichrist. Bible students have wrestled with this subject for centuries. You will be amazed at how clearly the Bible describes this power and what he will do at the end of time. **Please note, we will have two sessions on Saturday night.**
