Speaker:
JP O'Connor

was introduced to Jesus through a seminar just like this one. At 19 years old, he was unchurched, struggling with addiction, and searching for hope. Through the power of God and the truths found in Scripture, his life was transformed from darkness to light. For over 30 years, Pastor JP has shared that same life-changing message, helping others discover hope, freedom, and faith through the prophecies of Daniel and Revelation.
