

Tim Roosenberg
Speaker and Author

The headlines are unmistakable. Our world is on the precipice of extraordinary cataclysmic change. The conflict between two great world religions—Islam and Christianity—is fast approaching a devastating climax that will shake the whole world.

This seminar honestly examines the evidence without teaching hate. It will remind you that Jesus taught us to love everyone. He did not teach us to hate anyone.

But what happens next—and when? In an age of constant unpredictability, how can we really know what the future holds?

Speaker and author Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that the Bible is not silent regarding Islam and other chaotic events in these last days. "Islam and Christianity in Bible Prophecy" carefully explains the mysterious book of Daniel, specifically chapter 11, unveiling a thrilling picture of prophecy that has been accurate for 2500 years and explains the future roles of Catholicism, Protestantism, Islam, and the political Left and Right in the final conflict ahead. Along the way, Pastor Roosenberg provides the answers you need to survive in this chaotic world, answers that will give you

complete confidence in God's Word and faith in the promises of Jesus Christ, and the promise of His Second Coming. This seminar does not teach hate. It will remind you that Jesus taught us to love everyone. He did not teach us to hate anyone.
