Seventh-day ADVENTIST Heritage

We would like to personally invite you to attend our Adventist Heritage weekend sponsored by Hope Lives 365.

During our Adventist Heritage weekend, we will tell the remarkable story of the rise of the Advent Movement, and the amazing impact it has had on the world today. Throughout the weekend there will be inspiring music, a narrated rendition titled Adventist Still Believe on the joy of the second coming of Christ, skits from early Adventist history, and powerful biblical preaching. This revival weekend will inspire you, deepen your faith, increase your confidence in the Adventist message, and prepare you for the challenging times ahead. Please accept our personal invitation to attend and join us for this inspirational, life-changing experience.

Mark Finley

You will be inspired by **Pastor Mark's** powerful, Adventist preaching. **Teenie's** narration Adventist's still belief will give you a greater desire for heaven. **Kelly Mowrer** and her team of musicians will make your spirit's soar with their awe inspiring Adventist music. **Dan and Patsy Towar** will encourage you with Health Nuggets. **Merlin Burt**, Director of the White Estate, will share insights into Ellen White's visions. Our Team of Adventist Physicians will present practical messages from the Heavenly Sanctuary.
