Jesus on Prophecy

A Bible Prophecy Series
Coming to a Location Near You!

Hope amid our chaotic world!

We live in a world of political and financial unrest, social injustice, increasing natural disasters, and changing culture. Bible prophecy not only specifically and accurately predicted our time, but it also explains what will happen in the future. Jesus assures each one of us hope, joy, security, and peace as we understand from Him personally what lies ahead.

SESSION 1: Jesus Unfolds Prophecy for Today Monday, March 22 at 7:00 p.m.

The Bible is no ordinary book. It speaks directly to modern times, and Bible prophecy specifically reveals events unfolding in today's world. Come discover from the words of Jesus Himself about the times in which we now live, what is soon to come, and His plan for you!

SESSION 2: Prophecy's Final World Super Power Tuesday, March 23 at 7:00 p.m.

Explore an end-time prophecy that charts the course of world history, reveals where we are today in the Bible's prophetic timeline, and unveils the next world superpower—all with pinpoint accuracy!

SESSION 3: Jesus' Answer to Evil & Earth's Suffering Wednesday, March 24 at 7:00 p.m.

Why do natural disasters, terrorism, and violence continue to increase? Why does God allow tragedy and suffering? Learn about the cosmic conflict impacting earth and your life today! It is an important key in understanding Bible prophecy.

Can We Understand Prophecy?

Bible Prophecy is often misunderstood and misapplied, which leaves many people confused or fearful. When the Bible is studied in its proper context, prophecy becomes clear and understandable. There is no one we can trust more than Jesus, and His words will speak specifically to us as we study them in their simplicity.

The Book of Revelation is God's message to our generation living in the last days, but it is also a revelation of the person at the heart of every prophecy, Jesus Christ (Revelation 1:1). Christ will reveal the true source of hope for our lives and a loving assurance of His future plans for you.

Discover answers to these questions & more:

- Is the Bible still relevant in a secular, post-modern world?
- How can I find peace today and hope for tomorrow?
- Does Bible prophecy speak to current world events?
- Is the USA in Bible prophecy?
- Who is the antichrist, and what is the mark of the beast?
- What really happens after death?
- What will happen when Jesus returns?

Prophecy's Climax

Revelation 22:7-10 says, "... *Do not seal the words of the prophecy of this book, for the time is at hand... Behold, I am coming quickly.*" Prophecy reveals a global conflict happening today that points to the soon return of Jesus Christ. Be informed and prepared by attending Jesus on Prophecy!

Over and over again, those who attend say, "I never thought I could understand Bible Prophecy, but I've learned more about the Bible in the last few weeks than I have in my whole life."
